ABDUL HAQ SHEIKH

Being a **Textile Engineer** all my professional experience related to the Textile Industry.

Skill Set: Strong Management Skills, Inspiring Leadership, Solution orientation and ability to stay focused in pressure situations.

Values: Honesty, Dignity, Passion and Hard Work.

Ambitions: Establish myself as a true Manager and develop respectful and lasting relationships along the way in the Textile Industry.

With a good background in MA Economics and BSc Textile Engineering, coupled with over twenty years of experience in Textile Industry management and administration, I bring adaptability, dynamism, perseverance, and leadership to the table. Seeking a managerial role to leverage my expertise, ambition, and ability to lead teams effectively. Eager to contribute to a company's success while continuously learning and growing.
